Stakeholder Input Survey

The image shows a screenshot of a survey form titled "STAKEHOLDER INPUT SURVEY: COVID-19 RELIEF FUNDING ALLOCATION". The form is presented in a window titled "Section 1 of 2". The main heading of the survey is "WISD Stakeholder Input Survey: COVID-19 Relief Funding Allocation / Encuesta de Opinión para la Comunidad de WISD: Asignación de Fondos de Ayuda de COVID-19". Below the heading, there is a paragraph in English explaining that in response to COVID-19, all K-12 schools are eligible for one-time federal funding to help recover past, present, and future expenses and learning loss associated with the pandemic through ARP ESSER III (American Rescue Plan Act - Elementary and Secondary School Education Relief). It states that as Waller ISD works to develop its plan and application for ARP ESSER III funds, it is seeking input on how to best meet the needs of WISD students and families as they relate to COVID-19, and requests responses by Wednesday, June 9 at 5 p.m. A Spanish translation of this text is provided below.
