- Final system testing have started with the city and commissioning agent.
- Final cleaning and punch list are both started.

The image shows the exterior of Waller Jr. High school. The building is a single-story structure with a light-colored brick facade and a dark red roofline. A sign above the entrance reads "WALLER JR. HIGH". The entrance features large glass doors and windows. There are several trees in the foreground, including a large green tree on the right and smaller trees with reddish-brown foliage on the left. A paved walkway leads from the bottom right towards the entrance. The overall scene is bright and clear, suggesting a sunny day.
