Introduction

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful year. This handbook does not replace nor serve as a substitute for the Waller Independent School District's board-adopted policy manual, which contains all official policies that govern the operation of and employment within the District.

Not all District policies and procedures are included in this handbook. Those that are, have been summarized. Policies and procedures can change at any time. When the District provides updated policy information, the employee is responsible for reading and abiding by the changes. This handbook is not a contract, nor is it intended to alter the at-will status of non-contract employees in any way; rather, it is a guide to, and a brief explanation of District policies and procedures related to employment.

Nothing in this handbook supersedes or contradicts any District policy or changes any aspect of the employment relationship between the employee and the District or any terms and conditions of that relationship. All District employees serve on an at-will basis unless they have received and electronically signed a written contract authorized by the board of trustees.

For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate District office.

The Appendix of this handbook includes a list of employment policies for review by employees. A printed policy manual may be reviewed in the Central Administration office located at 2214 Waller Street during normal working hours and online at the district website located at www.wallerisd.net. Suggestions for additions and improvements to this handbook are welcome and may be submitted to the Human Resources Department.

If you have difficulty accessing the information in this handbook because of a disability, please contact the Human Resources Department at (936) 931-3685.

Note: All employees are required to read the Employee Handbook and electronically sign the Employee Handbook Receipt located in Unified Talent Employee Records, "TalentEd".

Employee Handbook Receipt 2024-2025

The employee handbook is located on the District’s website at www.wallerisd.net under *Departments > Human Resources*. The employee handbook is also sent to each employee via Unified Talent (*TalentEd*). All employees are required to read the handbook and digitally sign the receipt in Unified Talent (*TalentEd*).

I agree to read the handbook and abide by the standards, policies, and procedures defined or referenced in this document. I also understand and accept responsibility for accessing the policies, including employment policies, online at www.wallerisd.net > *About WISD > Board of Trustees > Board Policies*.

The information in this handbook is subject to change. I understand that changes in district policies may supersede, modify, or render obsolete the information summarized in this document. As the district provides updated policy information, I accept responsibility for reading and abiding by the changes.

I understand that each campus library and administrative department has Internet access. I understand that I may choose to print the handbook, including standards and policies, from the website or call the Human Resources Department at (936) 931-3685 to request a paper copy.

Furthermore, I understand that no modification to employment relationships or alteration of at-will relationships is intended by this handbook.

I understand that I have an obligation to inform the Human Resources Department, my supervisor, and the State Board of Educator Certification (if applicable) of any changes in personal information, such as name, phone number, address, etc. I also accept responsibility for contacting my supervisor or the Human Resources Department if I have questions or need further explanation.

Completing the Employee Handbook signature process in Unified Talent (*TalentEd*) shall serve as my digital signature. I have read and understand this notice and acknowledge receipt and understanding of the Waller ISD Employee Handbook.

District Information

Overview

The Waller Independent School District (WISD) was established in 1887 and is one of the largest school districts in the greater Houston area encompassing 328 square miles. It is located approximately 45 minutes northwest of Houston on Highway 290 and is one the area's fastest-growing public school districts. It neighbors Cypress-Fairbanks, Katy, Tomball, Magnolia, Navasota, Hempstead, and Royal ISD. The district has ten Waller ISD campuses serving nearly 10,000 students.

Mission Statement & Vision

[Policy AE](#)

The Waller Independent School District believes that ALL students will be successful learners and graduate with skills that will allow them to compete in the 21st-century workplace. It is, therefore, the intent of the district to serve all students regardless of their ability, environment, or national origin. Students will be provided opportunities to develop intellectually, physically, and socially through a quality system of teaching and learning. Through these opportunities, students will become responsible and productive members of a constantly changing society and world.

District Goals and Objectives

All schools and staff in Waller ISD are committed to positive, supportive interactions with students to ensure that all are successful learners. The following 10 goals support the strategic priorities of the district:

Goal 1: WISD will provide a well-rounded program of instruction to ensure academic performance and achievement levels that reflect excellence in learning and attainment of both high expectations and high standards for all students.

Goal 2: WISD will continue to develop and support systems, programs, instructional standards, professionals, paraprofessionals, and volunteers to enhance students' knowledge, skills, and performance in every adopted curriculum area.

Goal 3: WISD will provide a safe, secure, and respectful learning environment for students and staff.

Goal 4: WISD will continue to retain, recruit, and acknowledge effective student-centered, highly qualified employees.

Goal 5: WISD will provide a supportive, professional teaching environment that encourages teaching excellence.

Goal 6: WISD will continue state and national leadership in the use of technology in all phases of the educational process.

Goal 7: WISD will continue to prioritize two-way communication between Waller ISD and all patrons through all sources available and encourage relationships of trust and mutual support.

Goal 8: WISD will provide the necessary financial resources for the support of the instructional program through prudent management and fiscal responsibility.

Goal 9: WISD will provide co-curricular and extracurricular opportunities and programs for students as a means of preparing them for the future.

Goal 10: WISD will continue to emphasize the educational advantages for students, staff, and community in a diverse environment.

The Results

Upon graduation, our students will:

- Demonstrate general academic knowledge and skills that will allow them to be employable such as reading, writing, mathematical computation, speaking, listening, data manipulation, information processing and retrieval;
- Exhibit self confidence, self-esteem and flexibility as a learner and as a person;
- Demonstrate problem-solving, decision-making, and group process skills (teamwork);
- Demonstrate effective communication skills;
- Utilize and adapt to technological advances;
- Demonstrate social, civic, economic, and environmental responsibility by showing ethical behavior in personal life and in the workplace;
- Demonstrate the ability to identify, set, and pursue short and long goals and maintain a balanced (music, art, drama), safe, and healthy lifestyle;
- Be a self-directed, life-long learner;
- Demonstrate second language skills.

Board of Trustees

Policies BA, BB series, BD series, and BE series

Texas law grants the Board of Trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the Superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal law and regulations.

The Board of Trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Trustees are elected during general elections in May and serve three-year terms. Trustees serve without compensation, must be registered voters, and reside in the district.

Current WISD Board of Trustees

<u>President</u> William Warren			
<u>Vice-President</u> Maria Herrera		<u>Secretary</u> Jeff Flukinger	
<u>Member</u> Ronald Campbell	<u>Member</u> David Kaminski	<u>Member</u> Bryan Lowe	<u>Member</u> Brittany Neal

The Board typically meets the 2nd Thursday of each month at the Waller ISD Administration Building Board Room, 2214 Waller St. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted at the Waller ISD Administration Building at 2214 Waller Street at least 72 hours before the scheduled meeting time. The Board Agenda date and times will also be posted on the Waller ISD District website. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a two-hour notice. All meetings are open to the public. Under the following circumstances, Texas law permits the Board to go into a closed session from which the public and others are excluded. Closed sessions may occur for such things as discussing prospective gifts or donations, real property acquisition, personnel issues including conferences with employees and employee complaints, security matters, student discipline, or to consult with attorneys regarding pending litigation.

Employment

Equal Employment Opportunity

[Policies DAA, DIA](#)

In its efforts to promote nondiscrimination and as required by law, the Waller Independent School District does not discriminate against any employee or applicant for employment because of race, color, religion, gender, sex (including pregnancy or gender identity), national origin, age, disability, military status, genetic information or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made based on each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is prohibited from discriminating on the basis of sex in its educational programs or activities. The prohibition against discrimination extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

Employees with questions or concerns about discrimination based on sex, including sexual harassment, should contact Bennie Mayes, Chief of Secondary Schools and Title IX Coordinator, at 2214 Waller Street, Waller, Texas, 77484; (936) 931- 3685; bmayes@wallerisd.net. Employees with questions or concerns about discrimination based on a disability should contact the Chief Human Resources Officer and ADA/Section 504 Coordinator, Angie Campbell Pulido, at 2214 Waller Street, Waller, TX 77484, 936-931-0371; acampbellpulido@wallerisd.net.

Questions or concerns relating to discrimination for any other reason should be directed to the Office of Kevin Moran, Superintendent at (936) 931-3685 or the Human Resources Department (936) 931-3685. Inquiries about the application of Title IX may be referred to the District's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

Job Vacancy Announcements

[Policy DC](#)

To the extent possible, announcements of job vacancies are posted on a regular basis on the District's website. Employees interested in being considered for a vacant position should apply through the District's electronic application system, accessible on the District's website. Teachers wishing to change campuses should indicate their desire by notifying their principal and completing a transfer request form, within the transfer window, provided by Human Resources.

Employment after Retirement

Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed in limited circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment After Retirement* located on the TRS website at www.trs.texas.gov along with other retirement information. Employees can contact TRS for additional information by calling 800-223-8778.

Contract and Non-Contract Employment

Policy DC Series

In accordance with Texas Education Code Chapter 21, the District issues both probationary and term contracts to some professional employees.

Probationary Contracts

Principals, assistant principals, teachers, librarians, counselors, nurses and other full-time professional employees requiring a certification from the State Board for Educator Certification (SBEC) receive probationary contracts during their first year of employment. Former employees who are hired after at least a two-year lapse in district employment or employees who move to a position requiring a new class of certification also may be employed on a probationary contract. Probationary contracts are one-year contracts and can be extended up to three years. For those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district the approved Waller ISD District of Innovation plan (DOI), allows the District the flexibility to issue a probationary contract for up to three years.

Term Contracts

Principals, assistant principals, teachers, librarians, counselors, nurses and other full-time professional employees requiring a certification from the State Board for Educator Certification (SBEC) are employed under one-year term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees receive access to their contract in Unified Talent “TalentEd” and may print the contract and may review the employment policies online at www.wallerisd.net or request paper copies of policies.

Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online, or copies will be provided upon request.

Non-Chapter 21 contract employment

Non-Certified Professional and Administrative Employees in professional and administrative positions that do not require SBEC certification (such as non-instructional administrators) may be employed on a one-year, non-Chapter 21 contract that is not governed by Texas Education Code Chapter 21.

At-will employment

All paraprofessional and non-exempt auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district. Employees are issued letters of reasonable assurance.

Certification and Licenses

Policies [DBA](#), [DF](#)

Professional employees whose positions require SBEC certification or professional license are responsible for taking action to ensure their credentials do not lapse.

Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Human Resources Department in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify Human Resources when there is an action against, or revocation of, their license. A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because an individual failed to comply with criminal history background checks. Contact the Human Resources Department if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization

Policy [DC](#)

At the time of hire, all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact the Human Resources Department if you have any questions regarding re-verification of employment authorization. Failure to verify employment authorization may result in termination.

Searches and Alcohol/Drug Testing

Policies [CO](#), [DHE](#)

There is a reduced expectation of privacy in the workplace. The District may search the workplace, including accessing an employee's desk, computer, file cabinets, and work area to obtain information needed for usual business purposes whether the employee is available or unavailable.

In addition, the District may conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or worksites or used in district business.

Searches that reveal a violation of the District's standards of conduct may result in disciplinary action. The District may remove an employee from duty and require testing if there is reasonable suspicion that the employee is under the influence of alcohol or drugs used in violation of District policy. The determination of reasonable suspicion may be based on specific observations of the appearance, behavior, speech, or body odors of the employee whose motor ability, emotional equilibrium, or mental acuity seems to be impaired while on duty or other relevant information. Any employee who is asked to submit to a drug or alcohol screening shall be given the opportunity to provide relevant information about prescription or nonprescription medications that may affect the screening. A District employee who refuses to comply with a directive to submit to testing based upon reasonable suspicion shall be subject to disciplinary action, up to and including termination. A District employee confirmed to have violated the District's policy pertaining to alcohol or drugs may be subject to disciplinary action.

Employees Required to Have a Commercial Driver's License

Any employee whose duties require a commercial driver's license (CDL) is subject to alcohol and drug testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs. Employees with questions or concerns relating to drug and alcohol policies and related educational material should contact Human Resources.

Health Safety Training

Policies [DBA](#), [DMA](#)

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity

safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to their supervisor.

School nurses and employees with regular contact with students must complete a Texas Education Agency-approved online training regarding seizure disorder awareness, recognition, and related first aid.

Reassignments and Transfers

Policy [DK](#)

All personnel are subject to assignment and reassignment by the Superintendent or designee when the Superintendent determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time.

An employee with the required qualifications for a position may request a transfer to another campus or department. A teacher requesting a transfer to another campus for the following school year must submit a transfer request on the form provided by the District. Requests for transfer during the school year will be considered only when the change will not adversely affect students, after a replacement has been found, and with the approval of the receiving supervisor. All transfer requests will be coordinated by the Human Resources Department.

Workload and Work Schedules

Policies [DEAB](#), [DK](#), [DL](#)

Professional Employees

Professional and administrative employees are exempt from overtime pay and are employed on a 10, 11, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays are distributed each school year and can be found on the Waller ISD Human Resources website under [Staff Duty Calendars](#).

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks of not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel is available.

Classified Employees

Clerical, paraprofessional, auxiliary, and most other support staff are classified employees and most

are employed at-will and receive notification of the required duty days, holidays, and hours of work for their position annually. These employees must be compensated for overtime and are not authorized to work more than their assigned schedule without prior approval from their supervisor. (*See Overtime Compensation*).

Employee work schedules can be found on the Waller ISD Human Resources website at: <https://www.wallerisd.net/Domain/27>.

Breaks for Expression of Breastmilk

Policies [DEAB](#), [DG](#)

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple-user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided. A reasonable amount of break time will be provided when the employee needs to express milk. For non-exempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

The Proving Urgent Maternal Protections of Nursing Mothers Act (PUMP Act) requires an employee to notify the district if they believe the district is out of compliance in providing breaks for a nursing mother. The employee must give the district 10 days to come into compliance before making any claim of liability against the district. An employee with concerns should contact Angie Campbell Pulido, Chief Human Resources Officer at (936) 931-0371.

Pregnant Workers Fairness Act

The Pregnant Workers Fairness Act (PWFA) provides consideration of accommodations to employees who have known limitations related to pregnancy, childbirth, or related medical conditions. An employee seeking a PWFA accommodation should contact the Human Resources Leave Specialist, Alicia Martinez, at (936) 372-4064 to begin the interactive process.

Notification to Parents Regarding Qualifications

Policies [DK](#), [DBA](#)

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet the applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notification under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam)

and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can contact the Human Resources Department.

Outside Employment and Tutoring

Policy [DBD](#)

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest. Employees are required to also disclose in writing to their immediate supervisor any private tutoring of District students for pay.

Performance Evaluation

Policy [DN](#), Series

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Electronic evaluations will be completed through the approved appraisal evaluation system by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will have access to their evaluation through the approved appraisal evaluation system, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

Teachers are evaluated through the Texas Teacher Evaluation and Support System (T-TESS). If a teacher disagrees with the observation summary, the teacher may request a second appraisal by obtaining an official request form from the Human Resources Department and complying with the following process.

For Request of Second Observation Summary:

1. If the teacher is not in agreement with the Observation Summary from the appraiser and wishes to request a second appraisal, the teacher submits the completed Teacher Request for second Appraisal form to the Human Resources Department within 10 instructional days of receiving the Observation Summary.
2. Within 15 instructional days from the date the HR Department receives the teacher's request, the HR Department assigns the second appraiser from the approved T-TESS list of appraisers. The second appraiser conducts the 45-minute classroom observation.
 - The second appraiser may contact the teacher to obtain pertinent classroom and

- student information.
- The second appraiser notifies the teacher of the one-week window in which the observation is to be conducted. Note: this observation is not scheduled by day or time.
- 3. After completing the observation, the second appraiser completes the Observation Report.
- 4. Within 10 instructional days following the observation (15 instructional days if extenuating circumstances are determined by the Human Resources representative), the second appraiser holds a post conference with the teacher, reviews the written Observation Report, and each signs the document.
- 5. The second appraisal is available in the district approved evaluation system, and a copy of the Observation Report is provided to the teacher's appraiser.
- 6. The second appraisal data will be combined with all other appraisal data for the end of year summative evaluation.

For Request of Second End of Year Conference and Summary Report:

1. Within 15 instructional days from the date the HR Department receives the teacher's request, the second appraiser is assigned, completes the evaluation, and holds an end of year conference with the teacher to review the Summary Report.
 - To evaluate Domain 4, the second appraiser relies upon the cumulative data from the first appraisal, other observations, walk-throughs, the Goal Setting and Professional Learning Plan documentation, and any other relevant documents (e.g. parent communications, professional improvement plan(s), performance memo(s), etc.)
2. The second appraiser provides a copy of the Summary Report to the teacher and the teacher's appraiser, and to the HR Department for scanning into the teacher's records.

Employee Involvement

Policies [BOA](#), [BOB](#)

At both the campus and district levels, Waller ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Chief Academic Officer at (936) 931-3685.

Staff Development

Policy [DMA](#)

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for non-instructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development. Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Compensation and Benefits

Salaries, Wages, and Stipends

Policies [DEA](#), [DEAA](#), [DEAB](#)

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law.

Employees will be paid according to Waller ISD's compensation plan. All employees receive notice of their pay and work schedules each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the District's extra-duty pay schedule.

The District pays all salaried employees over the course of 12 months regardless of the number of months employed during the school year. Salaried employees will be paid in equal monthly payments, beginning with the first pay period of the school year. Employees that separate after the last day of instruction will continue to receive paychecks through the end of August.

Employees may contact the Human Resources Department at (936) 931-3685 for more information about the District's pay schedules or their own pay. The District's compensation plan is available in the Human Resources Department.

Paychecks

All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

All employees are paid semi-monthly; on the 15 and 28 of each month. If the 15 or 28 falls on a weekend, holiday, or another time that the administration building is closed, then the pay date will be the preceding business date. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization. Employees are responsible for regularly reviewing the accuracy of their pay statement. An employee's payroll statement contains detailed information including deductions, withholding information, and the amount of leave accumulated and can be accessed via Skyward Employee Access.

***Sept 27, 2024 is last payroll of FY 2024**

Any pay owed to employees for work done Sept 1, 2023 - Aug 31, 2024 must be sent to payroll office by noon on Sept 17, 2024 for payment to be included on the Sept 27, 2024 payday.

Automatic Payroll Deposit

Employees are required to have their paychecks electronically deposited into an account at their financial institution. A notification period of two payroll periods is necessary to activate this service. With direct deposit, an employee's pay will be available on the pay date. Contact the Payroll Department at (936) 372-4035 for more information about the automatic payroll deposit service.

Payroll Deductions

Policy [CFEA](#)

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired in this district after March 31, 1986)
- Court-ordered withholding, including child support and spousal maintenance
- Garnishments, including delinquent federal education loan payments
- FICA alternative plan contributions for temporary and part-time employees not eligible for TRS

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, other supplement insurance benefits offered by the district; and annuities. Salary deductions are automatically made for unauthorized or unpaid leave.

Overpayments: Employees are not entitled to any funds the district overpays. An overpayment occurs if an employee is paid more than the amount the employee should have been paid under the assigned pay grade and applicable supplemental pay. If an overpayment is reported in the current fiscal year, a payment plan will be developed to recoup the payment. Generally, an overpayment will be paid in one pay cycle. However, if this creates an undue hardship for the employee, the district has the discretion to develop a plan for regular payroll deductions in the same fiscal year.

An agreement between an employee and the district must be in place in order to deduct any overpayment.

Overtime Compensation

Policy [DEAB](#), [DEC](#)

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action up to and including termination.

Overtime is legally defined as all hours physically worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. For the purpose of calculating overtime, a workweek begins at 12:00 am on Saturday and ends at 11:59 pm on Friday.

Nonexempt employees that are paid on a salary basis are paid for the hours set by the normal work schedule. Hours worked beyond the normal schedule of up to 40 hours will be paid at a regular rate of pay.

Non-exempt employees, with a few exceptions, shall earn compensatory time (also known as “comp time”) in lieu of overtime per Board discretion. Employees who receive “comp” time shall be compensated for overtime (i.e., hours beyond 40 in a workweek) at a time-and-a-half rate with compensatory time off (comp time) or direct pay at the employer's discretion. The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of comp time.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor’s direction.
- An employee is required to use comp time before using any other available paid leave (e.g., sick, personal, non-duty days)
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration. Supervisors are responsible for the documentation of comp time.

Every effort should be made to exhaust any accrued compensatory time by the end of the employee’s work year. An employee should never have more than 60 hours of compensatory time accrued at one time.

Supervisors should make a reasonable effort to allow the employee to take their compensatory time at the employee’s desired time.

Overtime

Overtime must be authorized in advance by a supervisor. Before authorizing overtime, the supervisor is responsible for verifying that funds are budgeted and available by checking with their budget manager and/or the Chief Financial Officer.

Overtime will be calculated based on the actual hours recorded and credited to the employee as measured by the True Time system (straight time or at time-and-a-half based on workable hours in the week) and/or any manual timesheets signed by the employee and supervisor.

Training

Training for True Time/processing timekeeping reports is provided prior to the start of school each year or on an “as needed” basis. Requests for training may be directed to the campus or department secretary, the Human Resources Department, or the Business Services Department.

Definitions

Holidays, vacation days, local days, state days, and compensatory time used are not considered hours worked and will be excluded when determining the number of hours actually worked in a workweek.

Normal travel from home to work or from work to home is not working time no matter how long the commute.

Time Clock Guidelines for Non-Exempt Employees

Introduction

Waller ISD uses an electronic time tracking system called True Time that is part of the Skyward system. The electronic time tracking system will enable you to more accurately keep track of your time. It will also allow the district to more efficiently process your time worked and leave taken for payroll purposes. In order for this system to work to its fullest potential, we are asking all non-exempt employees to follow the guidelines outlined below. Your cooperation and compliance with these guidelines are very important and appreciated.

Definition of Non-Exempt Employee

Non-exempt employees are determined by the Fair Labor Standards Act and include positions such as secretaries, aides, bus drivers/monitors, maintenance workers, school nutrition workers/managers, clerks, etc. Please contact the Human Resources Department if you have questions about specific positions.

Official Time of Record

The True Time electronic timekeeping system and associated work records are the official basis for recording hours worked for non-exempt employees of Waller ISD. However, there will be situations that will require handwritten timesheets as well. In order to ensure consistency of treatment of non-exempt employees, the data recorded in the True Time system shall be considered as the “official” record of the workday. In order for the electronic timekeeping system to work as intended, all non-exempt employees must participate.

Employee Time Reports

The Fair Labor Standards Act (FLSA) requires that employers keep certain records for employees. This includes detailed records on time and payments. An electronic timekeeping system is used to record all hours worked and leave taken during the reporting period for non-exempt personnel.

The automated time reports must reflect all regular and extra duty hours worked for the period (including personal leave, compensatory time, holidays, etc.). Adjustments to hours and leave must be posted in a timely manner to avoid errors and omissions that may occur if these adjustments are posted toward the end of the payroll period.

Daily Clock-In/Out Requirements

It is a job requirement that all non-exempt employees must “clock in” in the morning and “clock out” at the end of the workday at their place of work. Under certain conditions (such as training at an off-site location, extracurricular events, etc.), the employee should report time worked to their supervisor to determine the best way to enter this time into True Time.

Other requirements and guidelines include:

- Employees are expected to clock in and out at their scheduled times.
- Employees are expected to use available compensatory time if their hours worked for the week do not meet the scheduled contract hours.
- Clock in and out times will be to the minute.
- Some employees are to clock out and back in for lunch and/or breaks. Due to the nature of

some positions, lunch and/or breaks may be automatically deducted.

Falsification, Tampering, and Unauthorized Viewing

Due to the severity of the infractions below, there will be immediate discipline enforced up to and including termination.

- Falsifying time records
- Any attempt to tamper with timekeeping hardware or software.
- Punching in for an absent or late employee (a.k.a. “buddy punching”).
- Anyone interfering with other employees’ use of the True Time system.
- Unauthorized viewing of another employee’s time in the True Time system.

The supervisor and the Human Resources Department will review the specific details of such an infraction (including but not limited to the above infractions) and develop an appropriate response.

Clock Problems

If an employee is unable to punch in or out because of a time clock malfunction or accidental oversight, it is the employee’s responsibility to immediately inform the supervisor. In this situation, the employee will use a district computer to ‘manually’ clock in or out. The supervisor will then notify technology if there is a malfunction with the time clock system.

Unreported Hours

All work performed by non-exempt employees must be authorized by a supervisor. Intentional or careless working off the clock is not allowed. Non-exempt employees are required to clock in and out due to performing any work, and this can be done via the Internet in True Time should a clock not be available. Forgetting to clock in or out is not a legitimate reason for working off the clock.

Employees that underreport or fail to report hours worked are subject to disciplinary action. Once an employee has clocked in, he/she is responsible for starting work.

Personal matters or simply not working while clocked in is considered “riding the clock” and could be grounds for disciplinary action.

Processing of Electronic Time Reports

Each week, non-exempt employees will submit their timesheets every Friday to their supervisor or designee in True Time. Each supervisor or designee will review weekly non-exempt employee time sheets (e.g., each Monday afternoon, review the previous week’s timesheet). If the supervisor or designee is satisfied with the hours reported, he or she will submit the timesheet to payroll. If a supervisor or designee is not satisfied with the hours reported by the non-exempt employee, he or she can deny the employee’s timesheet and note the reason for the denial. The employee will then have the opportunity to revise and resubmit the timesheet.

Disputes Over Time Clocked In or Out

If a dispute over a clock in/out time arises (by the employee, supervisor, or another person), the dispute will be properly documented by the supervisor (to include any use of security video to substantiate any claims), signed by both parties and submitted to the Human Resources Department for filing in the employee’s personnel file. If the employee refuses to sign the documentation, the supervisor should note this accordingly in the paperwork and remit it to Human Resources.

Compensatory Time

Compensatory time earned is based on hours worked in excess of the normal work hours for the week. For example, assuming there are 37.5 work hours in the week, and hours worked exceed this limit, the excess hours between 37.5 hours and 40 hours will be accrued at straight time (hour for hour) as compensatory time and those excess hours above 40 will be accrued at time-and-a-half as compensatory time. The employee **must** have the supervisor approve compensatory time before the performance of work.

Compensatory time is to be used by an employee **prior** to using all other types of state and/or local paid leave, non-duty days, or vacation days.

Clock in for Exempt Staff For Supplemental Duties

There are instances where exempt employees will be required to clock in and out and abide by all timekeeping rules for supplemental duties. These duties typically occur outside of the contractual duty calendar for the employee and are accompanied by an extra duty pay agreement.

Travel Expense Reimbursement

Policy [DEE](#)

Before an employee incurs any travel expenses, the employee's immediate supervisor and the budget manager (if different from the supervisor) must give written approval via the Travel Request Form and a district-issued purchase order. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage. More information regarding specific travel procedures can be found on the WISD Staff Portal - Business Services.

Health, Dental, and Life Insurance

Policy [CRD](#)

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school health insurance program. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or within 31 days of a qualifying event (e.g., marriage, divorce, birth). Detailed descriptions of insurance coverage, employee cost, and eligibility requirements can be found at <https://www.wallerisd.pecservices.info/>.

Supplemental Insurance Benefits

Policy [CRD](#)

At their own expense, employees may enroll in supplemental insurance programs for dental, vision, supplemental life insurance, long-term disability, accident, critical illness hospital indemnity, cancer, legal, identity protection, medical transportation, and telemedicine. Premiums for these programs will be paid by payroll deduction. More information can be found at <https://www.wallerisd.pecservices.info/> or employees may contact the Waller ISD Benefits Office.

Cafeteria Plan Benefit (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (e.g., disability, accidental death and dismemberment, cancer, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Flexible Spending Accounts

Employees may be eligible to participate in flexible spending accounts, including medical reimbursement and dependent care reimbursement accounts. These accounts enable eligible employees to save tax dollars on eligible medical expenses and/or dependent care. The amount selected by the employee is deducted from the employee's paycheck before taxes are deducted. Under IRS regulations this election is locked in for the plan year and cannot be changed during that time. A third-party administrator manages the accounts for reimbursement to the employee.

New employees must accept or reject this benefit within 31 days from the date of hire. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Workers' Compensation Insurance

Policy [CRE](#)

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the employee's direct supervisor and to the Leave Specialist in the Human Resources Department. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code.

The district has workers' compensation coverage from Texas Mutual Insurance Company and participates in the WorkWell Network. Employees must use a doctor within the network for a work-related injury. Failure to do so may result in the employee having to pay for the claim themselves.

Unemployment Compensation Insurance

Policy [CRF](#)

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Waller ISD District Leave Specialist.

Teacher Retirement

All personnel employed on a regular basis for at least one-half of the normal work schedule are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify TRS and the Human Resources Department as soon as possible. Information on the application procedures for TRS benefits are available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778. TRS information is also available online at <https://www.trs.texas.gov/Pages/Homepage.aspx>.

Other Benefit Programs

Tuition-Free Attendance

Children of district employees who do not live within the district boundaries may attend district schools tuition-free. Please contact the Chief of Elementary Schools at (936) 931-3685 for more information.

Pre-K

Waller ISD (WISD) will provide the opportunity for full-time staff members to enroll their 4-year-old child in the district's pre-kindergarten (pre-k) program during the 2024-2025 school year. Space for full-time staff children in pre-k is limited based on the number of qualified students who are enrolled through the regular enrollment process and class size availability. Contact the Chief of Elementary

Schools for more information.

Athletic Event Admission

District employees shall be admitted free to home athletic events with proof of employment (e.g. Waller ISD employee identification badge).

Leaves and Absences

Policies [DEC](#), [DECA](#), [DECB](#)

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who have personal needs that will require extended leaves of absence of more than 5 days should call the Leave Specialist in the Human Resources Department at (936) 372-4064 for information about applicable leave options, continuation of benefits, and requirements for communicating with the district.

Excessive absences are a reason for nonrenewal or termination of a contract or termination of an at-will employee. Excessive means absences that are not in compliance with policies and procedures for taking available local, state, or federal leave.

For purposes of leave, an employee who is regularly scheduled to work 30 hours or more per week is considered full time. Leave hours shall be recorded in whole workdays and half workdays only, except in accordance with provisions for intermittent leave in the Family and Medical Leave Act or when coordinated with workers' compensation benefits as provided in this policy. Leave may be requested using a combination of the various types of leave in order to reach the half and/or full workday requirement. For assistance with taking time off, please visit the [Human Resources - Employee Resources Website](#).

Employees in positions that are provided a substitute are charged leave as used, even if a substitute is not employed. If an employee has compensatory time, vacation days, or non-duty days, the employee must use this form of leave prior to electing to use state or local leave. The reason for the absence must meet the criteria of the leave elected. Employees must complete a leave report when absent. The election is made on the leave report and may not be changed after the report is submitted. If employees do not elect the type of leave, they wish to use, or if they do not have a sufficient balance in the leave they elect, the District will apply leave in the following order as applicable:

1. Compensatory Time (If applicable);
2. Non-Duty/Vacation Day (If applicable);
3. State sick leave accumulated prior to the 1995-1996 school year;
4. Local personal leave;
5. State personal leave;
6. If no leave is available, the employee's pay will be docked.

An employee who has available leave may not elect to be docked in lieu of using paid leave. If an employee does not qualify for family medical leave, temporary disability leave, or any other leave option, the district will use all of the available leave in the employees bank. If the employee is still

unable to return to work after all leave has been exhausted, employment may be recommended for termination.

Employees are required to report all absences through Skyward Employee Access and Red Rover if a campus substitute is needed prior to their absence. Employees should enter their own absences and select the type of leave day that should be used. In the event that an employee is unable to report an absence, the employee must make arrangements with campus/department administrators to have the absence immediately entered into the system. Leave is posted using information recorded in this system and will not be changed at a later date if incorrect information was submitted, except under special circumstances. Therefore, it is imperative that the absence is carefully selected and employees review the order of usage as outlined above. The initial submission of the leave type determines how leave is applied based on the balance in the employee's leave banks. If an employee takes leave in excess of the amount earned, the employee's pay will be deducted for the time missed based on their pay rate. Employees should use the Employee Access Center to review leave balances.

Employees must follow District and department or campus procedures to report or request any leave of absence and complete the appropriate leave request form(s). Any employee who is absent more than (5) five consecutive days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and in the case of personal illness--- the employee's fitness to return to work. Any unapproved absences or absences beyond accumulated or available paid leave shall result in a deduction from the employee's pay.

If an hourly employee does not report or request a leave of absence(s) according to district procedures, the incident is considered a "no call/no show". An employee who is absent for 3 consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination.

Supervisors of employees will attempt to reach the no-call/no-show staff member by phone and email in an attempt to reach the employee. After 3 attempts, the supervisor will notify the Leave Specialist in Human Resources. Human Resources will attempt to reach emergency contacts for the employee and may conduct a home visit to ensure the safety of the employee. If all attempts are unsuccessful, the employee will be sent a termination notice by mail.

Earned Leave – Personal and local leave is earned on an accrual basis. Contract employees should be aware that early in each new contract period the Payroll Department posts the **advanced** state personal and local leave days that may be earned for that contract period on the paycheck stub. Local leave is provided to employees based upon Waller ISD Board Policy [DEC \(Local\)](#). For employees eligible for **non-paid, non-duty days**, these days do not accrue each year, so any unused non-paid, non-duty days not used by eligible employees as of August 31 each year will be deleted from the district system.

Leave Proration – If an employee separates from employment with the District before his/her last day of the school year or begins employment after the first duty day of the school year, state personal leave and local leave shall be prorated based on the actual time employed. When an employee

separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by: (1) the amount of state personal leave the employee used beyond his/her pro rata entitlement for the school year; and (2) the amount of local leave the employee used but had not earned as of the date of separation. If an employee uses more local leave than he/she earned and remains employed with the District through his/her last duty day, the District shall deduct the cost of the excess leave days from the employee's pay.

Availability of Leave

Leave shall not be approved for more work days than have been accumulated in prior years plus those earned during the current year. Leave for the current year shall be available for use at the beginning of the school year.

Illnesses and Reporting to Work – Employees with medical diagnosis from a physician for conditions including but not limited to COVID, COVID variants, Monkeypox, Flu, Bronchitis, Strep Throat, Stomach Flu, etc. should follow their physician's orders, and earned or accrued leave must be used accordingly. There is no special reporting requirement for a diagnosis of COVID. Employees must be fever-free, diarrhea-free, and vomit-free for 24 hours before returning to District facilities. The definition of fever-free is below 100.0 Fahrenheit. When employees are well, they are expected to report to work. When employees are ill and have a medical diagnosis with a physician's orders, they should remain at home.

Medical Certification

An employee must submit medical certification of the need for leave as follows:

1. When the employee is absent more than five consecutive workdays because of personal illness or illness in the immediate family.
2. When the supervisor, Leave Specialist, or Superintendent deems it necessary or when there is a questionable pattern of absences.
3. When the employee requests leave under the Family and Medical Leave Act (FMLA), for the employee's serious health condition, a serious health condition of the employee's spouse, parent, or child, or for military caregiver leave.

The medical certification must be from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and, in the case of a personal illness, the employee's fitness to return to work. The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and healthcare providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance

Employees, on an approved leave of absence other than family and medical leave, may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and

leave designated under the FMLA will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

The district shall continue to contribute any portion of the employee's premium it usually pays for an employee's group health insurance while the employee is receiving district-paid leave benefits to which he or she is entitled under district policy and while the employee is using unpaid family medical leave. The district shall not expend public funds for group health insurance coverage of an employee who is not receiving paid leave benefits or compensation from the district, except as required by the Family and Medical Leave Act. When an employee is placed on unpaid leave of absence (other than family and medical leave) after paid leave is exhausted, the employee shall be allowed to continue the group health insurance at his or her own expense, by paying premiums in advance, for a period not to exceed six months. If at the end of that period, the employee is still on an unpaid leave of absence, COBRA coverage shall be offered. Otherwise, the district does not make benefit contributions for employees who are not on active payroll status.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than family and medical leave. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) rights. COBRA is a continuation of plan coverage when coverage would otherwise end because of a life event known as a qualifying event. Qualified COBRA beneficiaries who elect continuation coverage must pay the entire cost of the coverage. For details regarding qualifying events or costs, employees should contact the Payroll & Benefits Office at (936) 372-4037.

State Personal Leave

State law entitles all employees to five days of paid personal leave per year. State personal leave is available for use at the beginning of the school year. A day of earned personal leave is equivalent to the number of hours in an employee's usual assigned workday, whether full-time or part-time. There is no limit on the accumulation of state personal leave, and it can be transferred to other Texas school districts and is generally transferable to education service centers. State personal leave may be used for two general purposes: nondiscretionary and discretionary.

Nondiscretionary

Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little or no advance planning and may be used in the same manner as state sick leave.

Discretionary

Leave taken at an employee's discretion and that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a notice of the request to his or her principal or supervisor (3) three days in advance of the anticipated absence. In deciding whether to approve or deny state personal leave, the reason for which the employee requests the leave is not sought or considered. However, the duration of the requested absence in conjunction with the effect of the employee's absence on the educational program and

District operations, as well as the availability of substitutes, will be considered by the principal or supervisor prior to approval of the leave. Discretionary leave is not allowed for instructionally related personnel the day before a school holiday or after a school holiday, state mandated testing day, and staff development days.

Local Leave

Policy [DEC](#) (Local)

All full-time employees who work ten months shall earn an additional five equivalent workdays of local sick leave per school year, concurrent with state personal leave.

Eleven-month employees shall earn an additional six equivalent workdays and 12-month employees shall earn an additional seven equivalent workdays of local sick leave per school year, concurrently with state personal leave. Local sick leave shall accumulate without limit and shall be taken with no loss of pay.

Request for Leave

A notice of request for discretionary personal leave shall be submitted to the principal or designee three (3) days in advance of the anticipated absence; discretionary personal leave shall be granted on a first-come, first-served basis, with a maximum of five percent of campus employees in each category permitted to be absent at the same time for discretionary personal leave.

Use of discretionary personal leave shall be considered granted unless the principal or designee notifies the employee to the contrary within 48 hours of receipt of the request.

Duration of Leave

Discretionary personal leave may not be taken for more than three (3) consecutive days without supervisor and district approval.

Schedule Limitations

Discretionary leave shall not be allowed on the day before a school holiday, the day after a school holiday, days scheduled for end-of-semester or end-of-year exams, days scheduled for State testing of students, or professional or staff development days.

Reimbursement at Retirement

The district shall honor all accumulated local leave. Upon retirement from the district in accordance with TRS requirements, employees shall be reimbursed at the current daily rate of pay for substitutes for each day of unused local leave, up to a maximum of 50 days. If the employee is reemployed with the District, the days for which the employee received payment shall not be available to that employee.

The rate established by the Board shall be in effect until the Board adopts a new rate. Any changes to the rate shall apply beginning with the school year following the adoption of the rate changes.

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school

districts in Texas. Sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e. natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

If an employee uses more sick leave than he or she has earned, the cost of unearned sick leave will be deducted from the employee's next paycheck.

Vacation

Policy [*DED*](#) (Local)

Eligible employees in positions normally requiring 261 days of service annually shall receive paid vacation days in accordance with administrative regulations that address the following:

- Eligibility Criteria
- Accrual rates and availability;
- Request and approval process;
- Accumulation and carryover limits; and
- Treatment of vacation days upon separation from service

Employees who work a 261-day work schedule are entitled to up to 10 paid vacation days each year that are provided to the employee on his/her annual work anniversary. Use of vacation days must be approved in advance by the employee's supervisor. Vacation days will not carry over each work anniversary year and are unpaid upon separation from the district. Vacation leave is considered discretionary leave. It is taken at an employee's discretion and must be scheduled in advance. An employee wishing to take discretionary leave must submit a notice of the request to his or her principal or supervisor (3) three days in advance of the anticipated absence.

Holidays

Eligible employees in positions normally requiring 261 days of service annually shall receive 10 paid holidays in accordance with the employee's duty schedule and administrative regulations.

Non-duty (Flex) Days

Eligible employees in positions normally requiring 226 days of service annually are entitled to non-duty days each year. non-duty days are not paid leave, they are non-workdays. The total number of non-duty days may vary from year to year depending on the school calendar. non-duty days may be taken at any time during the calendar year, but prior approval is required by the employee's supervisor. Exempt and non-exempt employees must use non-duty days by August 31 each year.

Off Duty (flex) days are considered discretionary leave. It is taken at an employee's discretion and

must be scheduled in advance. An employee wishing to take discretionary leave must submit a notice of the request to his or her principal or supervisor (3) three days in advance of the anticipated absence.

Temporary Disability for Certified Employees

Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of a need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days. If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

The District requires the employee to use temporary disability leave and paid leave, including any compensatory time and paid vacation time, concurrently with FMLA leave.

When an employee is ready to return to work, the Leave Specialist in the Human Resources Department should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

Professional Leave (School Business Leave)

"Professional Leave" is leave granted for the purpose of enabling an employee to participate in professional activities (e.g., teacher workshops or serving on professional committees) which can serve to improve the school District's instructional program or enhance the employee's ability to perform his duties. Professional leave will also be granted when a school District employee is subpoenaed for a matter arising out of the employee's employment with the school District. Any employee seeking professional leave must make a written request to his or her immediate supervisor, setting forth the information necessary for the supervisor to make an informed decision. The

supervisor's decision is subject to review and overruling by the superintendent. Budgeting concerns and the potential benefit for the District's students will be taken into consideration in reviewing a request for professional leave.

Professional leave cannot be used to take a certification test.

Family and Medical Leave (FML) - General Provisions

The following text is from the federal notice, *Your Employee Rights Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

What is FMLA Leave?

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with **job-protected leave** for qualifying family and medical reasons.

The U.S. Department of Labor's Wage and Hour Division (WHD) enforces the FMLA for most employees. Eligible employees who work for a covered employer can take up to 12 workweeks of FMLA leave in a 12-month period for:

- The birth, adoption, or foster placement of a child with you,
- To bond with a child (leave must be taken within one year of the child's birth or placement),
- Your serious mental or physical health condition that makes you unable to work,
- To care for your spouse, child, or parent with a serious mental or physical health condition, and
- Certain qualifying reasons related to the foreign deployment of your spouse, child, or parent who is a military service member.

An eligible employee who is a covered service member's spouse, child, parent, or next of kin may also take up to 26 work weeks of FMLA leave in a single 12-month period to care for the service member with a serious injury or illness.

You have the right to use FMLA in one block of time. When it is medically necessary or otherwise permitted, employees may take FMLA leave intermittently in separate blocks of time, or on a reduced schedule by working fewer hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is **not paid leave**. FMLA leave shall run concurrently with applicable paid leave and compensatory time, as applicable. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer's normal paid leave policies.

Am I eligible for FMLA leave?

You are an **eligible employee** if all of the following apply:

- You work for a covered employer,

- You have worked for your employer for at least 12 months;
- You have at least 1,250 hours of service in the 12 months before taking leave; and
- Your employer has at least 50 employees within 75 miles of your work location

How do I request FMLA Leave?

Generally, to request FMLA leave you must:

- Follow your employer's normal policies for requesting leave,
- Give notice at least 30 days before your need for FMLA leave, or
- If advance notice is not possible, give notice as soon as possible.

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

You **do not have to share a medical diagnosis** but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You **must also inform your employer if FMLA leave was previously taken** or approved for the same reason when requesting additional leave.

Your **employer may request certification** from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress.

What does my employer need to do?

If you are eligible for FMLA leave, your employer must:

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, benefits, and other working conditions, including shift and location, at the end of your leave.

Your **employer cannot interfere with your FMLA rights** or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your **employer *must confirm whether you are eligible*** or not eligible for FMLA leave. If your employer determines that you are eligible, **your employer *must notify you in writing***:

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-protected leave.

Where can I find more information?

Call 1-866-487-9243 or visit dol.gov/fmla to learn more.

If you believe your rights under the FMLA have been violated, you may file a complaint with WHD or file a private lawsuit against your employer in court. Scan the QR code to learn about our WHD complaint process.

Local Procedures for Implementing Family & Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period beginning on the first duty day of the school year.

Requests for Family and Medical Leave

Forms for applying for a Family and Medical Leave are available to employees from the Leave Specialist in the Human Resources Department. Family and Medical Leave forms are to be submitted to Alicia Martinez, Waller ISD Leave Specialist.

Upon receipt by the Leave Specialist of a request for Family and Medical Leave and appropriate medical certification, the Leave Specialist will determine the employee's eligibility for the Family and Medical Leave. The employee and his/her principal or supervisor will be notified in writing of the approval or denial of the requested Family and Medical Leave.

You do not have to share a medical diagnosis but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You must also inform your employer if FMLA leave was previously taken or approved for the same reason when requesting additional leave.

Failure to submit proper medical certification, if required, or to timely notify the Leave Specialist of an employee's absences due to a qualifying serious health condition, may result in the denial of a Family and Medical Leave. [See Policy DEC (LEGAL)]

Family Emergency

The term "family emergency" shall be limited to natural disasters and life-threatening situations involving the employee or a member of the employee's immediate family.

Catastrophic Illness or Injury

A catastrophic illness or injury is a life-threatening condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee's immediate family that requires the service of a licensed practitioner for a prolonged period of time and that forces the employee to

exhaust all leave time and, if applicable, vacation days earned by that employee and to lose compensation from the district. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Complications resulting from pregnancy shall be treated the same as any other condition.

Use of Paid Leave

Family & Medical Leave (FML) runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses

Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave

When medically necessary or in the case of a qualifying emergency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child, for adoption, or the placement of a child with the employee. regulations

Certification of Leave

When an employee requests leave, the employee shall provide certification of the need for leave, in accordance with FMLA regulations.

Fitness for Duty

An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

Reinstatement

An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment. In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employee's group health insurance and reinstate the employee at the end of the leave according to the procedures outlined in policy [see DECA (LEGAL)].

Failure to Return

If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If

the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

District Contact

Employees that require Family Medical Leave (FML) or have questions should contact the Leave Specialist in the Human Resources Department for details on eligibility, requirements, and limitations.

Sick Leave Pool

The purpose of the Waller ISD Sick Leave Pool is to provide additional sick leave days to district employees who have exhausted all paid leave and vacation days as well as any applicable compensatory time and who suffer from a catastrophic illness or injury or are absent due to the catastrophic illness or injury of a member of the employee's immediate family. The sick leave pool program allows employees to voluntarily donate accrued state or local sick leave to another employee. If the employee is unable to request donated leave, a member of the employee's immediate family or the employee's supervisor may submit the request.

In order to request sick leave pool days, staff must submit a sick leave pool request form and a certification of healthcare provider form (*medical certification*) to the Human Resources Leave Specialist. All requests will be anonymously presented to a sick leave pool committee for review and approval. Details on sick leave pool procedures and committee guidelines can be found on the Waller ISD Human Resources website, under [Sick Leave Pool Information](#).

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving a possible assault is a work-related injury and should be immediately reported to the campus principal or immediate supervisor as well as the Leave Specialist in the Human Resources Department. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation, the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Jury Duty

Policy [DEC](#), [DG](#)

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district with a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

Compliance with a Subpoena

Employees will be granted paid leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding. Absences for court appearances related to an employee's personal business must be taken as personal leave or leave without pay (if no personal leave is available). Upon receiving a subpoena, an employee will immediately contact their immediate supervisor and the Chief Human Resource Officer or Director of Human Resources to make them aware of the subpoena request. Employees may be required to submit documentation of their need for leave for court appearances. If possible, subpoenaed records should be forwarded to the necessary individual or court to assist with employee attendance.

Bereavement (Funeral) Leave

Use of state and/or local sick leave for a death in the immediate family shall not exceed five (5) workdays per occurrence, subject to the approval of the district. Leave for attending a funeral of a person other than one defined as a family member may be approved as discretionary leave if available. Such leave shall not be granted without prior approval of the District.

Truancy Court Appearances

An employee who is a parent or guardian of a child and any court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any

accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Workers' Compensation Benefits

The safety and welfare of all employees is a primary concern of the Waller Independent School District and the Board of Education. Safe working conditions and practices are of vital importance to the district and each one of its employees. While a continuing partnership must exist between the employer and the employee to provide a safe and injury-free workplace, the district provides workers' compensation insurance benefits for any employee who is injured or becomes disabled or ill as a result of his or her employment responsibilities with Waller Independent School District.

Insurance Coverage and Application

All active employees are provided the benefits of Waller Independent School District's workers' compensation plan. Workers' compensation insurance benefits are applicable only for job-related injuries or illness sustained while an employee is engaged in his or her own authorized duties. An employee who is absent from duty because of a job-related illness or injury may be eligible for worker's compensation weekly income benefits if the absence exceeds seven calendar days.

An employee absent because of a job-related injury or illness shall be assigned to family and medical leave, Temporary Disability Leave, if applicable. An employee eligible for workers' compensation wage benefits, and not on assault leave, shall indicate whether he or she chooses to:

1. Receive workers' compensation wage benefits; or
2. Use available paid leave. Workers' compensation wage benefits shall begin when:
 - a. Paid leave is exhausted; or
 - b. The employee elects to discontinue the use of paid leave; or

If an employee is hurt on the job and lives in a service area described in the [Notice of Network Requirements from Workwell, TX](#), the employee understands that:

1. They must choose a treating doctor from the list of doctors in the network. Or, they may ask their HMO primary care physician to agree to serve as their treating doctor. If the employee selects their HMO primary care physician as the treating doctor, they will call Texas Mutual Insurance Company at (844) 867-2338 to notify them of their choice.
2. The employee must go to their treating doctor for all health care for their injury. If a specialist is needed, the treating doctor will refer the employee to a specialist. In case of emergency care, the employee may go anywhere.
3. Texas Mutual will pay the treating doctor and other network providers for the treatment for the compensable injury.
4. The employee may have to pay the bill if they get health care from someone other than a network doctor without prior network approval.

Knowingly making a false workers' compensation claim may lead to a criminal investigation that could result in criminal penalties such as fines and imprisonment.

When to Report

The principal or immediate supervisor is responsible for reporting an employee injury to the Employee Benefits office within 24 hours following the incident. Fatal or serious injuries must be reported at once by telephone by calling the Human Resources Leave Specialist.

Military Leave

Paid Leave for Military Service

Any employee who is a member of the Texas National Guard, Texas State Guard, a reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to 15 days of paid leave per fiscal year when engaged in authorized training or duty orders by proper authority. An additional seven days of leave per fiscal year are available if called to state active duty in response to a disaster. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave

Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. To be eligible for reemployment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment within the time specified by law to the Human Resources Department. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance

Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Contact the Payroll & Benefits Office at (936) 372-4035.

Mental Health Leave for Peace Officers and Licensed Telecommunicators

Districts employing peace officers and licensed telecommunicators are required to provide these employees with paid mental health leave. Include a description of the leave benefits based on Policy DEC(LOCAL), local leave regulations, and applicable procedures.

Quarantine Leave for Peace Officers

Waller ISD does not currently employ peace officers. Peace officers employed by a school district are entitled to paid leave if ordered to isolate or quarantine because of a possible or known exposure to a communicable disease while on duty. The Centers for Disease Control and Prevention (CDC) no longer recommends an isolation period of five days for individuals with COVID 19. At the district level, isolation practices are most likely no longer needed. Entities should update local procedures to align with Policy DBB(LOCAL) and eliminate isolation requirements.

Firefighters and emergency medical technicians also are entitled to this leave. An instructor or other employee may also qualify under this policy if they are certified as an emergency medical technician under the Texas Health and Safety Code. I

Leave for Peace Officers for Illness or Injury

Waller ISD does not currently employ peace officers.

Complaints and Grievances

Policy [DGBA](#)

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process that all employees must follow. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time. The District does not prohibit employees from communicating with a member of the Board regarding District operations, unless there is a pending hearing or appeal, at which time such communication would be inappropriate.

The formal grievance process provides all employees with an opportunity to be heard by the highest level of management if they are dissatisfied with an administrative response. Once all administrative grievance procedures are exhausted, employees can bring concerns or complaints to a mediator who will make a recommendation to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns or complaints and grievances is reprinted as follows or may be accessed from the District's website at www.wallerisd.net > *About WISD* > *Board of Trustees* > [Board Policies](#). Grievance forms can be obtained by requesting a copy from the Human Resources Coordinator, Elva Chapa at echapa@wallerisd.net.

PERSONNEL-MANAGEMENT RELATIONS: EMPLOYEE COMPLAINTS/GRIEVANCES

Guiding Principles

Informal Process

The Board encourages employees to discuss their concerns with their supervisor, principal, or other appropriate administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Direct Communication with Board Members

Employees shall not be prohibited from communicating with a member of the Board regarding District operations except when communication between an employee and a Board member would be inappropriate because of a pending hearing or appeal related to the employee.

Formal Process

An employee may initiate the formal process described below by timely filing a written complaint form. Even after initiating the formal complaint process, employees are encouraged to seek informal resolution of their concerns. An employee whose concerns are resolved may withdraw a formal complaint at any time. The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

Notice to Employees

The principal of each campus and other supervisory personnel shall inform employees of this policy.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against an employee for bringing a concern or complaint.

Whistleblower Complaints

Whistleblower complaints shall be filed within the time specified by law and may be made to the Superintendent or designee beginning at Level Two. Timelines for the employee and the District set out in this policy may be shortened to allow the Board to make a final decision within 60 calendar days of the initiation of the complaint. [See DG]

Complaints Against Supervisors

Complaints alleging a violation of law by a supervisor may be made to the Superintendent or designee. Complaint forms alleging a violation of law by the Superintendent may be submitted directly to the Board or designee.

Complaints

In this policy, the terms "complaint" and "grievance" shall have the same meaning. Employee complaints shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with DGBA after the relevant complaint process:

1. Complaints alleging discrimination, including violations of Title IX (gender), Title VII (sex, race, color, religion, national origin), ADEA (age), or Section 504 (disability), shall be submitted in accordance with DIA.
2. Complaints alleging certain forms of harassment, including harassment by a supervisor and violation of Title VII, shall be submitted in accordance with DIA.
3. Complaints concerning retaliation relating to discrimination and harassment shall be submitted in accordance with DIA.
4. Complaints concerning instructional resources shall be submitted in accordance with the EF series.
5. Complaints concerning a commissioned peace officer who is an employee of the District shall be submitted in accordance with CKE.
6. Complaints concerning the proposed nonrenewal of a term contract issued under Chapter 21 of the Education Code shall be submitted in accordance with DFBB.
7. Complaints concerning the proposed termination or suspension without pay of an employee on a probationary, term, or continuing contract issued under Chapter 21 of the Education Code during the contract term shall be submitted in accordance with DFAA, DFBA, or DFCA.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including email and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by

the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Scheduling Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If the employee fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the employee's absence.

Response

At Levels One and Two, "response" shall mean a written communication to the employee from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the employee's email address of record, or sent by U.S. Mail to the employee's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

Days

"Days" shall mean District business days, unless otherwise noted. In calculating timelines under this policy, the day a document is filed is "day zero." The following business day is "day one."

Representative

"Representative" shall mean any person who or an organization that does not claim the right to strike and is designated by the employee to represent him or her in the complaint process.

The employee may designate a representative through written notice to the District at any level of this process. The representative may participate in person or by telephone conference call. If the employee designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

Consolidating Complaints

Complaints arising out of an event or a series of related events shall be addressed in one complaint. Employees shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

When two or more complaints are sufficiently similar in nature and remedy sought to permit their resolution through one proceeding, the District may consolidate the complaints.

Untimely Filings

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the employee, at any point during the complaint process. The employee may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of

timeliness.

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaints and Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the employee does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the employee unless the employee did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing.

Audio Recording

As provided by law, an employee shall be permitted to make an audio recording of a conference or hearing under this policy at which the substance of the employee's complaint is discussed. The employee shall notify all attendees present that an audio recording is taking place.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees on a school campus shall file Level One complaints with the campus principal; other district employees shall file Level One complaints with their immediate supervisor.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall hold a conference with the employee within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help

resolve the complaint.

Level Two

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the district, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator reaching the Level One decision.

The Superintendent or designee shall hold a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues presented by the employee at Level One and identified in the Level Two appeal notice. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the employee with a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, the information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board. The appeal shall be heard by a hearing officer who shall not be a district employee.

The appeal notice must be filed in writing, on the employee complaint appeal notice form available on the district's Web site, in the main office of any campus/department, or at the central office, within ten business days after receipt of a response or, if no response was received, within ten days of the response deadline at Level Two.

The Superintendent or designee shall provide the hearing officer with the record of the Level Two complaint. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The hearing officer shall hold the hearing within 15 business days of the receipt of the request. The Superintendent or designee shall inform the employee of the date, time, and place of the meeting with the hearing officer.

The form of presentation of the grievance shall be determined by the designated hearing officer, and all proceedings before the hearing officer shall be recorded by audiotape. Generally, no witnesses shall be presented and no cross-examination of witnesses shall occur, unless required by due process. In each case, the grievant shall be permitted to make a presentation to the hearing officer within the time allotted and shall be able to offer such written evidence as the designated hearing officer may deem relevant. The administration shall be entitled to respond to the grievant with a presentation and written evidence.

The hearing officer shall provide a written recommendation for disposition to the Board within 15 business days following the hearing.

The Board shall review the hearing officer's written recommendation at the first regular meeting following receipt of the same. The time frame could be adjusted, however, as practicable. The employee and the administration shall be provided a copy of the recommendation prior to the Board meeting.

No testimony or new evidence shall be taken at the Board level except as may be required by law.

The Board may decide to accept, reject, or modify the recommendation of the hearing officer and shall then make and communicate its decision.

Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Discrimination

Discrimination against an employee is defined as conduct directed at an employee on the basis of race, color, religion, sex, national origin, age, disability, or any other basis prohibited by law, that adversely affects the employee's employment.

In accordance with law, discrimination on the basis of sex includes discrimination on the basis of biological sex, gender identity, sexual orientation, gender stereotypes, or any other prohibited basis related to sex.

Prohibited Harassment

Prohibited harassment of an employee is defined as physical, verbal, or nonverbal conduct based on an employee's race, color, religion, sex, national origin, age, disability, or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

1. Has the purpose or effect of unreasonably interfering with the employee's work performance;
2. Creates an intimidating, threatening, hostile, or offensive work environment; or
3. Otherwise adversely affects the employee's employment opportunities.

unreasonably interfering with the employee's work performance or creates an intimidating, threatening, hostile, or offensive work environment.

Examples

Superintendent - The Superintendent shall serve as coordinator for purposes of District compliance with all other nondiscrimination laws.

Alternative Reporting Procedures

An employee shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

Timely Reporting

To ensure the District's prompt investigation, reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act.

Notice of Report

Any District supervisor who receives a report of prohibited conduct shall immediately notify the appropriate District official listed above and take any other steps required by this policy.

Any District employee who receives a report of prohibited conduct based on sex, including sexual harassment, shall immediately notify the Title IX coordinator.

Investigation of Reports Other Than Title IX

The following procedures apply to all allegations of prohibited conduct other than allegations of harassment prohibited by Title IX. [See FFH(LEGAL)] For allegations of sex-based harassment that, if proved, would meet the definition of sexual harassment under Title IX, see the procedures below at Response to Sexual Harassment—Title IX.

The District may request, but shall not require, a written report. If a report is made orally, the District official shall reduce the report to written form.

Initial Assessment - Upon receipt or notice of a report, the District official shall determine whether the allegations, if proved, would constitute prohibited conduct as defined by this policy. If so, the District shall immediately authorize or undertake an investigation, regardless of whether a criminal or regulatory investigation regarding the same or similar allegations is pending.

Interim Action - If appropriate, the District shall promptly take interim action calculated to prevent prohibited conduct during the course of an investigation.

District Investigation - The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the principal or supervisor shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

Concluding the Investigation - Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the District official overseeing the investigation.

District Action - If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct.

The District may take action based on the results of an investigation, even if the conduct did not rise to the level of prohibited or unlawful conduct.

Confidentiality - To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Appeal - A complainant who is dissatisfied with the outcome of the investigation may appeal through DGBA(LOCAL), beginning at the appropriate level.

The complainant may have a right to file a complaint with appropriate state or federal agencies.

Response to Harassment - Title IX

For purposes of the District's response to reports of harassment prohibited by Title IX, definitions can be found in FFH(LEGAL).

General Response - When the District receives notice or an allegation of conduct that, if proved, would meet the definition of sexual harassment under Title IX, the Title IX coordinator shall promptly contact the complainant to:

- Discuss the availability of supportive measures and inform the complainant that they are available, with or without the filing of a formal complaint;
- Consider the complainant's wishes with respect to supportive measures; and
- Explain to the complainant the option and process for filing a formal complaint.

The District's response to sexual harassment shall treat complainants and respondents equitably by offering supportive measures to both parties, as appropriate, and by following the Title IX formal complaint process before imposing disciplinary sanctions or other actions that are not supportive measures against a respondent.

If a formal complaint is not filed, the District reserves the right to investigate and respond to prohibited conduct in accordance with Board policies and administrative procedures.

Title IX Formal Complaint Process - To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

The Superintendent shall ensure the development of a Title IX formal complaint process that complies with legal requirements. [See FFH(LEGAL)] The formal complaint process shall be posted on the District's website. In compliance with Title IX regulations, the District's Title IX formal complaint process shall address the following basic requirements:

1. Equitable treatment of complainants and respondents;
2. An objective evaluation of all relevant evidence;
3. A requirement that the Title IX coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process not have a conflict of interest or bias;
4. A presumption that the respondent is not responsible for the alleged sexual harassment until a determination is made at the conclusion of the Title IX formal complaint process;
5. Time frames that provide for a reasonably prompt conclusion of the Title IX formal complaint process, including time frames for appeals and any informal resolution process, and that allow for temporary delays or the limited extension of time frames with good cause and written notice as required by law;

6. A description of the possible disciplinary sanctions and remedies that may be implemented following a determination of responsibility for the alleged sexual harassment;
7. A statement of the standard of evidence to be used to determine responsibility for all Title IX formal complaints of sexual harassment;
8. Procedures and permissible bases for the complainant and respondent to appeal a determination of responsibility or a dismissal of a Title IX formal complaint or any allegations therein;
9. A description of the supportive measures available to the complainant and respondent;

EMPLOYEE STANDARDS OF CONDUCT: REPORTS TO STATE BOARD FOR EDUCATOR CERTIFICATION

Solicitation of a Romantic Relationship

"Solicitation of a romantic relationship" means deliberate or repeated acts that can be reasonably interpreted as the solicitation by an educator of a relationship with a student that is romantic in nature. A romantic relationship is often characterized by a strong emotional or sexual attachment and/or patterns of exclusivity, but does not include appropriate educator-student relationships that arise out of legitimate contexts such as familial connections or longtime acquaintance. The following acts, considered in context, may constitute prima facie evidence of the solicitation by an educator of a romantic relationship with a student:

1. Behavior, gestures, expressions, or communications with a student that are unrelated to the educator's job duties and evidence a romantic intent or interest in the student, including statements of love, affection, or attraction. Factors that may be considered in determining the romantic intent of such communications or behavior include:
 - a. The nature of the communications;
 - b. The timing of the communications;
 - c. The extent of the communications;
 - d. Whether the communications were made openly or secretly;
 - e. The extent that the educator attempts to conceal the communications;
 - f. If the educator claims to be counseling a student, SBEC may consider whether the

educator's job duties included counseling, whether the educator reported the subject of the counseling to the student's guardians or to the appropriate school personnel, or, in the case of alleged abuse or neglect, whether the educator reported the abuse or neglect to the appropriate authorities; and

- g. Any other evidence tending to show the context of the communications between educator and student.
2. Making inappropriate comments about a student's body, creating or transmitting sexually suggestive photographs or images, or encouraging the student to transmit sexually suggestive photographs or images.
3. Making sexually demeaning comments to a student.
4. Making comments about a student's potential sexual performance.
5. Requesting details of a student's sexual history.
6. Requesting a date, sexual contact, or any activity intended for the sexual gratification of the educator.
7. Engaging in conversations regarding the sexual problems, preferences, or fantasies of either party.
8. Inappropriate hugging, kissing, or excessive touching.
9. Providing the student with drugs or alcohol.
10. Violating written directives from school administrators regarding the educator's behavior toward a student.
11. Suggestions that a romantic relationship is desired after the student graduates, including post-graduation plans for dating or marriage.
12. Any other acts tending to show that the educator solicited a romantic relationship with the student.

STUDENT WELFARE: FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

Note: *This policy addresses discrimination, including harassment, and retaliation against District students. For provisions regarding discrimination, including harassment, and retaliation against District employees, see DIA. For reporting requirements related to child abuse and neglect, see FFG. Note that FFH shall be used in conjunction with FFI (bullying) for certain prohibited conduct. policy addresses harassment of district employees. For harassment of students, see FFH. For reporting requirements related to child abuse and neglect, see FFG.*

Prohibited Conduct

In this policy, the term “prohibited conduct” includes discrimination, harassment, dating violence, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

Prohibited conduct also includes sexual harassment as defined by Title IX. [See [FFH\(LEGAL\)](#)]

Statement of Nondiscrimination

The District prohibits discrimination, including harassment, against any student. Discrimination is defined as treating a student or group of students differently from similarly situated students on the

basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law. One type of harassment this policy prohibits is dating violence, as defined below. Retaliation against anyone exercising their rights under this policy is a violation of District policy and is prohibited.

Harassment

Harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening, intimidating, or humiliating conduct; offensive jokes, name calling, slurs, or rumors; cyberharassment; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

Title IX Sexual Harassment

As required by law, the District shall follow the procedures below at Response to Title IX Sexual Harassment upon a report of sex-based harassment, including sexual harassment, gender-based harassment, and dating violence, when such allegations, if proved, would meet the definition of sexual harassment in an education program or activity and against a person in the United States under Title IX. [See FFH(LEGAL)]

Other Sexual Harassment

By an Employee - Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it:
 - a. Affect the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
 - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or other inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DH]

By Others - Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
3. Otherwise adversely affects the student’s educational opportunities.

Examples - Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, contact, or communications, including electronic communication.

Necessary or permissible physical contact such as assisting a child by taking the child’s hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

Gender-Based Harassment

Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student’s gender, the student’s expression of characteristics perceived as stereotypical for the student’s gender, or the student’s failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
3. Otherwise adversely affects the student’s educational opportunities.

Examples - Examples of gender-based harassment directed against a student, regardless of the student’s or the harasser’s actual or perceived sexual orientation or gender identity, may include offensive jokes, name-calling, slurs, or rumors; cyberharassment; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

Dating Violence

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples - Examples of dating violence against a student may include physical or sexual assaults; name-calling; put-downs; or threats directed at the student, the student's family members, or members of the student's household. Additional examples may include destroying property belonging to the student, threatening to commit suicide or homicide if the student ends the relationship, attempting to isolate the student from friends and family, stalking, threatening a student's spouse or current dating partner, or encouraging others to engage in these behaviors.

Reporting Procedures

Student Report - Any student who believes that he or she has experienced prohibited conduct and any person who believes that a student has experienced prohibited conduct should immediately report the alleged acts to a teacher, school counselor, principal, other District employee, or the appropriate District official listed in this policy.

Employee Report - Any District employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct shall immediately notify the appropriate District official listed in this policy and take any other steps required by this policy.

Alternative Reporting Procedures

An employee shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

Timely Reporting

To ensure the District's prompt investigation, reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act.

Notice to Parents

The District official or designee shall promptly notify the parents of any student alleged to have experienced prohibited conduct by a District employee or another adult. [For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]

When the District receives a report of prohibited conduct that includes dating violence, the appropriate District official shall immediately notify the parent or guardian of the student who has been identified in the report as the alleged victim or perpetrator.

Investigation of Reports Other Than Title IX

The following procedures apply to all allegations of prohibited conduct other than allegations of harassment prohibited by Title IX. [See FFH(LEGAL)] For allegations of sex-based harassment that, if proved, would meet the definition of sexual harassment under Title IX, including sexual harassment, gender-based harassment, and dating violence, see the procedures below at Response to Title IX Sexual Harassment.

The District may request, but shall not require, a written report. If a report is made orally, the District official shall reduce the report to written form.

Initial Assessment - Upon receipt or notice of a report, the District official shall determine whether the allegations, if proved, would constitute prohibited conduct as defined by this policy. If so, the District shall immediately undertake an investigation, except as provided below at Criminal Investigation.

If the District official determines that the allegations, if proved, would not constitute prohibited conduct as defined by this policy, the District official shall refer the complaint for consideration under FFI.

Interim Action - If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the District shall promptly take interim action calculated to address prohibited conduct or bullying prior to the completion of the District's investigation.

District Investigation - The investigation may be conducted by the District official or a designee, such as the principal, or by a third party designated by the District, such as an attorney. When appropriate,

the principal shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

Criminal Investigation - If a law enforcement or regulatory agency notifies the District that a criminal or regulatory investigation has been initiated, the District shall confer with the agency to determine if the District investigation would impede the criminal or regulatory investigation. The District shall proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has finished gathering its evidence, the District shall promptly resume its investigation

Concluding the Investigation - Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for the District to delay its investigation, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall include a determination of whether prohibited conduct or bullying occurred. The report shall be filed with the District official overseeing the investigation.

Notification of Outcome - Notification of the outcome of the investigation shall be provided to both parties in compliance with FERPA.

District Action

Prohibited Conduct - If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly respond by taking appropriate disciplinary in accordance with the Student Code of Conduct and may take corrective action reasonably calculated to address the conduct.

Corrective Action - Examples of corrective action may include a training program for those involved in the report, a comprehensive education program for the school community, counseling to the victim and the student who engaged in prohibited conduct, follow-up inquiries to determine if any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where prohibited conduct has occurred, and reaffirming the District's policy against discrimination, harassment, and retaliation.

Bullying - If the results of an investigation indicate that bullying occurred, as defined by policy [FFI](#), the District official shall refer to FFI for appropriate notice to parents and District action. The District officials shall refer to policy [FDB](#) for transfer provisions.

Improper Conduct - If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take disciplinary action in accordance with the Student Code of Conduct or other corrective action reasonably calculated to address the conduct.

Confidentiality - To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Appeal - A student or parent who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level. A student or parent has the right to file a complaint with the United States Department of Education Office for Civil Rights.

Response to Title IX Sexual Harassment

For purposes of the District's response to reports of harassment prohibited by Title IX, definitions can be found in FFH(LEGAL).

General Response - When the District receives notice or an allegation of conduct that, if proved, would meet the definition of sexual harassment under Title IX, the Title IX coordinator shall promptly contact the complainant to:

- Discuss the availability of supportive measures and inform the complainant that they are available, with or without the filing of a formal complaint;
- Consider the complainant's wishes with respect to supportive measures; and
- Explain to the complainant the option and process for filing a formal complaint.

The District's response to sexual harassment shall treat complainants and respondents equitably by offering supportive measures to both parties, as appropriate, and by following the Title IX formal complaint process before imposing disciplinary sanctions or other actions that are not supportive measures against a respondent.

If a formal complaint is not filed or dismissed, the District reserves the right to investigate and respond to prohibited conduct in accordance with Board policies and the Student Code of Conduct. The Title IX coordinator also reserves the right to sign a formal complaint, initiating the Title IX grievance process, if it would be deliberately indifferent not to investigate and respond to the prohibited conduct in accordance with Board policies and the Student Code of Conduct.

Title IX Formal Complaint Process - To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

The Superintendent shall ensure the development of a Title IX formal complaint process that complies with legal requirements. [See FFH(LEGAL)] The formal complaint process shall be posted on the District's website. In compliance with Title IX regulations, the District's Title IX formal complaint process shall address the following basic requirements:

1. Equitable treatment of complainants and respondents;
2. An objective evaluation of all relevant evidence;

3. A requirement that the Title IX coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process not have a conflict of interest or bias;
4. A presumption that the respondent is not responsible for the alleged sexual harassment until a determination is made at the conclusion of the Title IX formal complaint process;
5. Time frames that provide for a reasonably prompt conclusion of the Title IX formal complaint process, including time frames for appeals and any informal resolution process, and that allow for temporary delays or the limited extension of time frames with good cause and written notice as required by law;
6. A description of the possible disciplinary sanctions and remedies that may be implemented following a determination of responsibility for the alleged sexual harassment;
7. A statement of the standard of evidence to be used to determine responsibility for all Title IX formal complaints of sexual harassment;
8. Procedures and permissible bases for the complainant and respondent to appeal a determination of responsibility or a dismissal of a Title IX formal complaint or any allegations therein;
9. A description of the supportive measures available to the complainant and respondent;
10. A prohibition on using or seeking information protected under a legally recognized privilege unless the individual holding the privilege has waived the privilege;
11. Additional formal complaint procedures in 34 C.F.R. 106.45(b), including written notice of a formal complaint, consolidation of formal complaints, recordkeeping, and investigation procedures; and
12. Other local procedures as determined by the Superintendent.

Standards of Evidence - The standard of evidence used to determine responsibility in a Title IX formal complaint of sexual harassment shall be the preponderance of the evidence.

Retaliation

The District prohibits retaliation by a student or District employee against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report of harassment or discrimination, files a complaint of harassment or discrimination, serves as a witness, or participates in an investigation. The definition of prohibited retaliation under this policy also includes retaliation against a student who refuses to participate in any manner in an investigation under Title IX. In the absence of a formal complaint, allegations of retaliation shall be investigated under Investigation of Reports Other Than Title IX, above.

Examples

Examples of retaliation may include threats, intimidation, coercion, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim or offers false statements in a District investigation regarding discrimination or harassment, including dating violence, shall be subject to appropriate disciplinary action in accordance with law.

Records Retention

The District shall retain copies of allegations, investigation reports, and related records regarding any prohibited conduct in accordance with the District's records control schedules, but for no less than

the minimum amount of time required by law. [See CPC]

[For Title IX recordkeeping and retention provisions, see FFH(LEGAL) and the District's Title IX formal complaint process.]

Access to Policy and Procedures

Information regarding this policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and readily available at each campus and the District's administrative offices

Reporting Suspected Child Abuse

Policies [DG](#), [FFG](#), [GRA](#)

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §26.001, are required by state law to make a report to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made to <https://www.txabusehotline.org/Login/Default.aspx> or by calling the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concerns to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. Employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

The district has established a plan for addressing sexual abuse and other maltreatment of children. It is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who has reasonable cause to believe that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in *Reporting Suspected Child Abuse*.

Reporting Crime

Policy [DG](#)

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with the authority to investigate the crime.

Technology Resources

Policy [CQ](#)

The district's technology resources, including its networks, computer systems, email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use of the system is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's technology resources
- Has no adverse effect on job performance or a student's academic performance

Electronic mail transmissions and other use of technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district's acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of

privileges and may lead to disciplinary and legal action, including termination of employment. Employees with questions about computer use and data management can contact the Director of Technology.

Personal Use of Electronic Communications

Policies [CQ](#), [DH](#)

Electronic communications includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also include all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communications as they are for any other public conduct. If an employee's use of electronic communications interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for Web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic communications for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall limit the use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district's logo or other copyrighted material of the district without express, written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or district business unless the employee first obtains written approval from the employee's immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus.

These restrictions include:

- Confidentiality of student records. [See Policy FL]
- Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See Policy DH (EXHIBIT)]
- Confidentiality of district records, including educator evaluations and private email addresses. [See Policy GBA]
- Copyright law [See Policy CY]
- Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See Policy DH (EXHIBIT)]

Electronic Communications between Employees & Students

Policy DH

A certified or licensed employee, or any other employee designated in writing by the Superintendent or a campus principal, may use electronic communications with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. Electronic communications between all other employees and students who are enrolled in the district are prohibited. Employees are not required to provide students with their personal phone number or e-mail address.

An employee is not subject to provisions regarding electronic communications with a student to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent. The written consent shall include an acknowledgment by the parent that:

- The employee has provided the parent with a copy of this protocol
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee's communications with the student are excepted from district regulation, and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply to the use of electronic media with students:

- *Electronic communications* mean any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes e-mail, text messages, instant messages, and any communication made through an Internet website, including a social media website or a social networking website.
- *Communicate* means to convey information and includes one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*; however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

General Procedures

Emergency School Closing

The District may close schools or facilities because of severe weather, epidemics, or other emergency conditions. When such conditions exist, the superintendent will make the official decision concerning the closing of the District's facilities. When it becomes necessary to open late, to release early, or to cancel school, District officials and campus leaders will coordinate with the Communications Department to post a notice on the District's website at www.wallerisd.net, post notifications on District social media, and notify local media.

In the event such actions require the alteration of the annual school calendar, the Superintendent shall prepare recommendations to the Board for approval of a revised annual calendar as soon as practicable.

The procedures for making the decision to close schools due to weather or other emergencies is a collaborative and ongoing process amongst school district administrators, emergency management officials, and weather experts. During events that may impact safe roadway travel or the safety of the school day, conditions are monitored around the clock. Delayed opening and/or early dismissal is possible contingent on conditions.

In the event of any change to normal schedules due to weather conditions or other emergencies, Waller ISD will utilize all parent and employee communication systems including, but not limited to the school district website (www.wallerisd.net), [official social media accounts](#), and the district's Blackboard Mass Notifications system (email and telephone messaging for staff). Name and Address Changes

It is important that employment records be kept up to date. Employees must notify the Human Resources Department if there are any changes or corrections to their name, home address, contact telephone number, marital status, emergency contact, or beneficiary. Forms to process a change in personal information can be obtained from the Human Resources Department. Employees with certifications issued by SBEC are also required to maintain current name and address information with SBEC.

Updating Credentials and Renewing Certifications

Policy [DBA](#)

All employees who have earned certificates, endorsements, or degrees of higher rank since the previous school year must file the documents with the District by submitting them to the Human Resources Department. Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours, maintaining appropriate documentation, and renewing the certification with SBEC.

Personnel Records

Policy [DBA](#)

Most district records, including personnel records, are public information and must be released upon request. In most cases, an employee's personal e-mail is confidential and may not be released without the employee's permission.

Employees may choose to have the following personal information withheld:

- Address
- Phone number, including personal cell phone number
- Emergency contact information
- Information that reveals whether they have family members

The choice not to allow public access to this information may be made at any time by submitting a written request to the Human Resources Department. Otherwise, personal information will be released to the public until a request to withhold the information is submitted.

Facility Use

Policy [DGA](#), [GKD](#)

The Waller ISD Board of Trustees permits public use of designated school facilities for educational, recreational, civic, or social activities when these activities do not conflict with school use or with Waller ISD Policy [see [GKD \(LOCAL\)](#)].

The campus principal and/or the Chief of Secondary Schools are responsible and authorized to approve/schedule the use of campus facilities for after-school hours. Policy [CH](#)

The district will not reimburse employees or assume responsibility for purchases made without prior authorization and a purchase order. Employees are not permitted to purchase supplies or equipment for personal use through the district. Contact the Business Services Department for additional information on purchasing procedures.

Termination of Employment

Resignations

Policies [DE](#), [DFE](#), [DHB](#)

Contract Employees

Contract employees may resign their position without penalty at the end of any school year if written notice is received 45 days before the first day of instruction of the following school year. A written notice of resignation should be submitted to the Superintendent or other persons designated by the Board of Trustees, which includes the Chief Human Resources Officer and Director of Human Resources.

Contract employees may resign at any other time only with the approval of the Superintendent or the Board of Trustees. Resignation without the consent of the Board may result in disciplinary action by the State Board for Educator Certification (SBEC).

The principal is required to notify the superintendent of an educator's resignation within seven business days following an alleged incident of misconduct for any of the acts listed in *Reports to Texas Education Agency*. The superintendent will notify SBEC when an employee resigns and there is evidence to indicate that the employee has engaged in such misconduct.

In considering the problems created by personnel inappropriately vacating positions and breaking contracts, it is important to note the circumstances in which the district would consider a release from a contract to be appropriate after the statutory deadline. These include the following:

1. Mutual consent arrangement whereby the district and the employee reach the conclusion that resignation and release are mutually beneficial;
2. Situations involving a spouse's job transfer or relocation from the area; and
3. Personal reasons, which almost always involve sensitive personal problems (e.g., emotional conditions, mental stability, and/or related physical problems).

The district retains the flexibility to work with these situations with the knowledge that the Board of Trustees will support the administrator's judgment as they consider the best interests of students. The timing of the district's acceptance of these resignations will coincide with the availability of an acceptable replacement whenever possible.

Non-Contract Employees

Non-contract employees may resign from their positions at any time. A written notice of resignation should be submitted to the Human Resources department supervisor at least two weeks prior to the effective date. Employees are encouraged to include the reasons for leaving in the letter of resignation but are not required to do so.

Dismissal or Non-Renewal of Contract Employees

Policy DF Series, [DHB](#)

Employees on probationary or term contracts can be dismissed during the school year or non-renewed at the end of the year according to the procedures outlined in district policies. Contract employees dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and an opportunity for a hearing. The timelines and procedures to be followed when a suspension, termination, or non-renewal occurs will be provided when written notice is given to an employee.

The principal is required to notify the superintendent of an educator's termination within seven business days following an alleged incident of misconduct for any of the acts listed in *Reports to Texas Education Agency*. The superintendent will notify SBEC when an employee is terminated and there is evidence to indicate that the employee has engaged in such misconduct.

Advance notification requirements do not apply when a contract employee is dismissed for failing to obtain or maintain appropriate certification or when the employee's certification is revoked for misconduct. Information on the timelines and procedures can be found in the DF series policies located at www.wallerisd.net.

Dismissal of Non-Contract Employees

Policy [DCD](#)

Non-contract employees are employed **at will** and may be dismissed without notice, a description of the reasons for dismissal, or a hearing. It is unlawful for the district to dismiss any employee for reasons of race, color, religion, gender, national origin, age, disability, military status, genetic information, or any other basis protected by law, or in retaliation for the exercise of certain protected legal rights. Non-contract employees who are dismissed have the right to grieve the termination. The dismissed employee must follow the district process outlined in this handbook when pursuing the grievance. See *Complaints and Grievances* for more information.

Registry of Persons Not Eligible for Employment

Policy [DF](#)

A district, district of innovation, open-enrollment charter school, other charter entity, regional education service center, or shared services arrangement shall discharge or refuse to hire a person listed on TEA's registry of persons who are not eligible to be employed.

Discharge of Convicted Employees

Policy [DF](#)

The district shall discharge or refuse to hire an employee or applicant for employment if the district obtains information through a criminal history record information (CHRI) review that the employee or applicant has been:

1. Convicted of or placed on deferred adjudication community supervision for an offense requiring registration as a sex offender under Code of Criminal Procedure Chapter 62; or
2. Convicted of:
 - a. A felony under Title 5, Penal Code, if the victim of the offense was under 18 years of age at the time the offense was committed; or
 - b. An offense under the laws of another state or federal law that is equivalent to an offense under item 1 or 2a, above.

However, a district is not required to discharge an employee if the person committed an offense under Title 5, Penal Code, and:

1. The date of the offense is more than 30 years before the date the person's employment will begin; and
2. The employee satisfied all terms of the court order entered on conviction.

Certain Offense Against Students

Policy DF

Mandatory Termination

If a district receives notice that SBEC has revoked the certificate of a person based on conviction of or placement on deferred adjudication community supervision for an offense for which the person is required to register as a sex offender under Code of Criminal Procedure, Chapter 62; a conviction of a felony under Penal Code Title 5 if the victim of the offense was under 18 years of age at the time the offense was committed; or conviction of or placement on deferred adjudication community supervision for an offense under Penal Code 43.24 (Sale, Distribution, or Display of Harmful Material to Minor), the district shall:

1. Suspend the person without pay;
2. Provide the person with written notice that the person's contract is void; and
3. Terminate the employment of the person as soon as practicable.

Exit Interviews and Procedures

Exit interviews will be scheduled for all employees leaving the district and may be done through an informal survey. Information on the continuation of benefits, release of information, and procedures for requesting references will be provided at this time. Separating employees are asked to provide the district with a forwarding address and phone number and complete a questionnaire that provides the district with feedback on his or her employment experience.

All district keys, books, property including intellectual property, and equipment must be returned upon separation from employment. The district may withhold the cost of any unreturned items from the final paycheck.

Policy [DE](#), [DHB](#), [DHC](#)

Student Records

Policy [FL](#)

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records. The following people are the only people who have general access to a student's records:

- Parents: Married, separated, or divorced unless parental rights have been legally terminated and the school has been given a copy of the court order terminating parental rights
- The student: The rights of parents transfer to a student who turns 18 or is enrolled in an institution of post-secondary education. A district is not prohibited from granting the student access to the student's records before this time.
- School officials with legitimate educational interests

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus principal for assistance.

Parent and Student Complaints

Policy [FNG](#)

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. Any campus office or the Superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

Administration Medication to Students

Policy [FEAC](#)

Only designated employees may administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the administration of medication for respiratory distress, medication for anaphylaxis (e.g., EpiPen®), opioid antagonists, and medication for diabetes management, if the medication is administered in accordance with district policy and procedures. A student who must take any other medication during the school day must bring a written request from his or her parents and the medicine in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

Dietary Supplements

Policies [DH](#), [FEAC](#)

District employees are prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance-enhancing compounds to a student with whom the employee has contact as part of his or her school district duties. In addition, employees may not knowingly endorse or suggest the ingestion, intranasal application, or inhalation of a performance-enhancing dietary supplement to any student.

Psychotropic Drugs

Policy [FFAC](#)

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior- altering substance.

District employees are prohibited by state law from doing the following:

- Recommending that a student use a psychotropic drug,
- Suggesting a particular diagnosis,
- Excluding from class or school-related activity a student whose parent refuses to consent to a psychiatric evaluation or to authorize the administration of a psychotropic drug to a student.

Student Conduct and Discipline

Policies in the FN series and FO series

Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Handbook and Student Code of Conduct. Teachers receive a copy of the Student Code of Conduct and must be familiar with the rules of conduct. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management strategies that have been adopted by the district. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal.

Student Attendance

Policy [FEB](#)

Teachers and staff should be familiar with the district's policies and procedures for attendance accounting. These procedures require minor students to have parental consent before they are allowed to leave campus. When absent from school, the student, upon returning to school, must bring a note signed by the parent that describes the reason for the absence. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.

Bullying

Policy [FFI](#)

Bullying is defined by §TEC 37.0832. All employees are required to report student complaints of bullying, including cyberbullying, to the campus principal or a campus administrator. Moreover, any district employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the campus principal or a campus administrator. The district prohibits bullying as defined by Policy FFI. Policy FFI includes definitions and procedures for reporting and investigating bullying of students and may be found online at www.wallerisd.net > *About WISD* > *Board of Trustees* > [Board Policies](#).

FFI (Local)

STUDENT WELFARE: FREEDOM FROM BULLYING

Note: *This policy addresses bullying of District students. For purposes of this policy, the term bullying includes cyberbullying. For provisions regarding discrimination and harassment involving District students, see FFH. Note that FFI shall be used in conjunction with FFH for certain prohibited conduct. For reporting requirements related to child abuse and neglect, see FFG.*

Bullying Prohibited

The District prohibits bullying, including cyberbullying, as defined by state law. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Examples

Bullying of a student could occur by physical contact or through electronic means and may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism

Minimum Standards

In accordance with law, the Superintendent shall develop administrative procedures to ensure that minimum standards for bullying prevention are implemented.

Retaliation

The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation.

Examples

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.

Timely Reporting

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

Reporting Procedures:

Student Report - To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee. The

Superintendent shall develop procedures allowing a student to anonymously report an alleged incident of bullying.

Employee Report - Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.

Report Format - A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.

Periodic Monitoring - The Superintendent shall periodically monitor the reported counts of bullying incidents, and that declines in the count may represent not only improvements in the campus culture because bullying declines but also declines in the campus culture because of a decline in openness to report incidents

Notice of Report - When an allegation of bullying is reported, the principal or designee shall notify a parent of the alleged victim on or before the third business day after the incident is reported. The principal or designee shall also notify a parent of the student alleged to have engaged in the conduct within a reasonable amount of time after the incident is reported.

Prohibited Conduct - The principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, including dating violence and harassment or discrimination on the basis of race, color, religion, sex, gender, national origin, or disability. If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.

Investigation of Report - The principal or designee shall conduct an appropriate investigation based on the allegations in the report. The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate

Concluding the Investigation - Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation.

The principal or designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying occurred, and if so, whether the victim used reasonable self-defense. A copy of the report shall be sent to the Superintendent or designee

Notice to Parents - If an incident of bullying is confirmed, the principal or designee shall promptly notify the parents of the victim and of the student who engaged in bullying.

District Action:

Bullying - If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the District's Student Code of Conduct and may take corrective action reasonably calculated to address the conduct. The

District may notify law enforcement in certain circumstances.

Discipline - A student who is a victim of bullying and who used reasonable self-defense in response to the bullying shall not be subject to disciplinary action.

Corrective Action - Examples of corrective action may include a training program for the individuals involved in the complaint, a comprehensive education program for the school community, follow-up inquiries to determine whether any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where bullying has occurred, and reaffirming the District's policy against bullying.

Transfers - The principal or designee shall refer to FDB for transfer provisions.

Counseling - The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options

Improper Conduct - If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take action in accordance with the Student Code of Conduct or any other appropriate corrective action.

Confidentiality - To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

Appeal - A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.

Records Retention - Retention of records shall be in accordance with CPC(LOCAL).

Access to Policy and Procedures - This policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and shall be readily available at each campus and the District's administrative offices.

Hazing

Policy [FNCC](#)

Students must have prior approval from the principal or designee for any type of "initiation rites" of a school club or organization. While most initiation rites are permissible, engaging in or permitting "hazing" is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus administrator.
