HOW TO REQUEST TIME OFF

Step 1: Click on 'My Requests' under the Time Off area

Step 2: Click on the 'Add' button

Step 3: Complete the following information

The screenshot shows a 'Time Off Request' form. At the top, there is a table titled 'Remaining Time Off' with columns for 'Time Off Code', 'Remaining', 'Approved', 'Waiting', 'Available', and 'Future'. Below this is the 'Time Off Request' section, which includes a dropdown for 'Time Off Code' (set to 'STATE PERSONAL LEAVE - Days'), a dropdown for 'Reason' (set to 'FAMILY ILLNESS'), a text field for 'Description', a date field for 'Start Date' (set to '11/03/2011 Thursday'), a 'Days' field (set to '0.0000'), and a 'Start Time' field (set to '08:00 am'). There is also a checkbox for 'Sub Needed'. At the bottom, there is a section for 'Select additional employees to notify when this request is submitted and approved/denied' with a 'Select Employee(s):' dropdown. Callout boxes on the right point to these fields with the following instructions:

- Input the Time Off Code
- Input the Reason for time off
- Input the description of the time off
- Input the absence start date, how many absence days, and the time the absence starts
- Check this box if a substitute is needed for the absence
- Select the employees you would like to receive email notification of your absence request

Once you've completed this information, click on the 'Save' button (right hand side of page)...this will record your request for time off.

WHAT IF A SUBSTITUTE IS NEEDED?

If a substitute is needed for an absence, you would check the box 'sub needed' box in the page above. This will automatically record your request for time off and send you to the automated substitute finder (called 'AESOP') internet site to log in to find a substitute for your absence.

AESOP

The screenshot shows the AESOP website. The header includes the Aesop logo and the text 'Automated Substitute Placement & Absence Management'. The main content area features a banner that says 'More than 3,000 School districts have joined the Aesop family!' with a 'READ THE STORY >>' button. At the top right, there are login fields for 'AESOP ID' and 'PIN', and a 'LOGIN' button. A callout box points to these fields with the text 'AESOP ID and PIN'. Below the banner, there are navigation links: 'What is Aesop? >', 'Why Choose Aesop? >', 'Who is Using Aesop? >', and 'Pricing & Services >'.

If you require a substitute for your absence, you will use Aesop to find a substitute (if you are unsure if a substitute is necessary, please check with your campus / department leadership and secretary)

TRUE TIME

COMP (Compensatory) Time explanation:

- ✓ Non-exempt employees earn COMP time for any time worked over their normally scheduled hours based upon federal guidelines
- ✓ **Anything over 2 hours of COMP time for the week must be approved by the supervisor prior to working COMP time. If an employee works COMP time without prior approval, the employee is subject to disciplinary action**
- ✓ The best solution for any daily work scheduled over the normal hours is to take the extra time worked off during that work week...this is often referred to as FLEX time and helps to minimize the accumulation of COMP time
- ✓ Supervisors will be notified once an employee's total COMP time reaches 20 hours, at which time the supervisor and employee will work out a schedule to take the COMP time that works best for the campus / department
