

# Why is it Important to Volunteer?

- Provides us insight into changes and needs within the community
- “In-kind” hours needed to match grant funding
- Fun events such as Tour de RA-CHA, Family Ties “TEE UP” Golf Tournament, and The Good Karma Gift Shop
- Awareness about the impact of crisis issues in our community
- Looks great on an academic or professional resume
- When you volunteer, we all grow. Most of all, volunteering makes you feel good!!!

## Prevention Services

### The "D.R.I.V.E" Program

The D.R.I.V.E. (Developing Respect, Integrity, Vision and Empathy) Program was established to provide primary prevention to students (K-12), in an age and developmentally appropriate way. The D.R.I.V.E. Program was created to foster basic values that play a crucial role in eliminating violence. Through an environment of self-esteem, honesty, respect, hope and concern for others, we can build and maintain healthy relationships, while eliminating violence (visual, sexual, gang and bullying) and substance abuse (drugs and alcohol) in our homes, schools and communities. Ask us for more information about our D.R.I.V.E Mission!

Good  
Karma

Make Good Karma Happen!

Every student deserves a mum! Supplies offered at reduced cost.

In the Good Karma Gift Shop, we create hand-crafted items to sell in an effort to raise much needed funds. The proceeds from every single purchase from the Good Karma Shop goes back to Family Ties. By purchasing our hand-crafted items, you are giving back to a non-profit in our community!

## Why is it Important to Donate?

Your support allows us to:

- ♦ Continue to provide free victim services to survivors of crime and their families
- ♦ Hold a Teen Leadership Camp and Youth Leadership Camp, including covering field trip expenses, food & drinks provided weekly, and activity items
- ♦ Gather craft supplies for D.R.I.V.E (our primary prevention program)
- ♦ Purchase school supplies to assist our clients in getting off to a good start each school year

As a non-profit we rely on the contributions and sponsorships of local businesses and community members like you. Because Family Ties is a non-profit organization, we are primarily funded through grants. Many of the grants received require us to match through donations, financial contributions, volunteers, and fundraising. Without your support, everything we do would not be possible!
